- The student will remain on this page until the Test Administrator starts the test for all students within the test session.

Branched NAPLAN Numeracy 2020 Year 3

BR-3022 BR-3022

Wait to begin.
Branching page

• The student sees this page when they reach a branching point between sections of the test that are not locked.
• The student is reminded to check their answers before moving to the next section.
• The student will remain on this page until a selection has been made.
• If the student selects Back, they are directed to the previous section to check their answers.
• If the student selects Next, their answers for the previous section will be scored and they will be directed to the next section.
• This is not a locked section; once students have clicked Next, they can go back and revise their answers and potentially improve their score for this section. As they have already been branched, changes to their answers will not affect their branching pathway for this point in the test.

You have finished this section of the test.

When you click Next, your answers for this section will be scored and you will move to the next section.

To check your answers, click Back.

To start the next section, click Next.
Transition from a ‘locked’ section – numeracy (years 7 and 9 only)

• This page is only relevant to years 7 and 9 students.
• The student sees this page in the numeracy test at the end of the non-calculator section.
• The student is reminded to check their answers before moving to the next section, which is calculator allowed.
• A student will remain on this page until a selection has been made.
• If the student selects Back, they are directed to the previous section to check their answers.
• If the student selects Next, they will not be able to view or change their answers in the non-calculator section. In this next section, the use of the calculator is allowed.

You have finished the non-calculator section of the test.

When you click Next, your answers for this section will be scored and you will move to the next section.

To check your answers now, click Back.

To start the next section, click Next.
Transition from a ‘locked’ section – conventions of language

- The student sees this page in the conventions of language test at the end of the grammar and punctuation section.
- The student is reminded to check their answers before moving to the next section, which is spelling.
- A student will remain on this page until a selection has been made.
- If the student selects **Back**, they are directed to the previous section to check their answers.
- If the student selects **Next**, they will not be able to view or change their answers in the grammar and punctuation section.

You have finished this section of the test.

After you click **Next**, you will **NOT** be able to view or change your answers.

To check your answers now, click **Back**.

To start the next section, click **Next**.
